

WebEOC®

## Product Announcement

### Version 7.8.0.8

This announcement describes changes made to the WebEOC solution. If you have questions about changes not covered in this document, more information is available on the WebEOC [Client Hub](#) or by contacting your Client Services Manager.

### Special Characters Permitted and Displayed Appropriately in Incident Names

Special characters are now accepted and displayed appropriately when they are used in incident names. These special characters include double quotations, ampersands, and single quotations.
