

## eICS™ 4.13 Release Notes

These notes describe enhancements introduced in the eICS 4.13 release scheduled for Thursday, July 1, 2021. More information is available through your solution or by contacting the Juvare Support Center at 877-771-0911 or [support@juvare.com](mailto:support@juvare.com).

### Objective Templates as Job Action Sheets

Objective templates can now be used as Job Action Sheets. All changes to custom fields on objective templates are documented in the Event Log, along with information about who made the changes and when. These changes can be viewed on the Objective History tab, as well as printed in the HICS 214 report. This feature enables better tracking, reporting, and analysis of objectives.
