

## EMResource® 3.56 Release Notes

These notes describe highlights of the EMResource 3.56 release scheduled for Wednesday, April 7, 2021. More information is available through your solution or by contacting the Juvare Support Center at 877-771-0911 or [support@juvare.com](mailto:support@juvare.com).

### Subject of Status Change Notifications

Now, when changing resource statuses, the resource name is included in the subject of Status Change Notifications. Instead of the five-character abbreviation that was included previously, the full name of the resource appears in the subject line of Status Change Notifications to help you more quickly comprehend status changes at a glance.

### Enhancements

Various usability and performance enhancements were enacted.
