

# Edit Resource Details

Home > EMResource > Guide - EMResource Views > Edit Resource Details

You may be authorized to edit a resource's details, including its location and contact information. You can access a resource's details through the appropriate view.

The screenshot shows the JUVARE EMResource interface. At the top, there is a navigation bar with a 'MENU' button, the 'JUVARE' logo, and the 'EMResource' title. To the right of the title are icons for a user profile ('AllRoleUser Springfield, USA (DEMO)'), a bell ('2'), a search bar, a help icon, and a pink circular button with a letter 'A'. Below the navigation bar, there are two cards: 'Heat Advisory' (yellow background) and 'Hospital Intoxication Patient Surveillance' (blue background).
