

# View Category Structure

[Home](#) > [EMSupply](#) > [EMSupply Categories](#) > View Category Structure

All administrators can view the category tree structure, as well as details for the categories, item types, kits, and items within it.

## View the category structure

1. On the **Settings** tab, click **Categories**. The *Categories* page opens.
2. In the left pane, expand and collapse the category folders and item types.
3. Select a category, item type, kit, or item. The right pane shows its details, including its attributes.
