

Edit a Category

[Home](#) > [EMSupply](#) > [EMSupply Categories](#) > Edit a Category

As the Customer Administrator, you can update a category at any time.

To edit a category

1. On the **Settings** tab, click **Categories**. The *Categories* page opens.
2. In the left pane, locate and select the category you want to update. The right pane shows its details.
3. Update the **Name** and/or **Description**.
4. Click **Save**.
