

View Funding Sources

[Home](#) > [EMSupply](#) > [EMSupply Funding Sources](#) > View Funding Sources

You can easily view your domain's available funding sources. You can search your funding sources by type, name, start and end dates, active/inactive status, or owner.

To view a source

1. On the **Settings** tab, click **Funding**. The *Funding Sources* page opens.
2. Enter all or part of a source element in **Search**. The solution automatically locates all sources that match your entry.
3. If you want to see additional detail, click the source. The *Edit Funding Source* window opens.
4. Click **Cancel**.
